

Management of Internationalisation and German – Ukrainian Academic Cooperation 2022 – 2023:

Main goals of the Mol Ukraine project:

- Supporting internationalisation of Ukrainian universities
- Conveying in-depth knowledge of all relevant aspects of internationalisation
- Qualifying university staff to manage processes and tasks of internationalisation in the area of higher education
- Strengthening soft skills, intercultural competence, project, conflict and change management
- Fostering German-Ukrainian academic cooperation
- Building and strengthening networks within Ukraine, Germany and internationally
